18 Kentucky Birds

Snow Goose

Yellow-breasted Chat

Scarlet Tanager

Rusty Blackbird

Rock Pigeon

Least Tern

A photograph of an Orange-crowned Warbler perched on a branch. The bird is shown in profile, facing right. It has a yellowish-green body with a distinct yellow patch above the eye. The wings and tail show darker, olive-green tones. The bird is perched on a light-colored, textured branch. The background is a soft, out-of-focus green and brown.
